INDEX

SUBJECT

acquired immunodeficiency syndrome, 98–103, 207–211
  Africa, 211
  Americas, 98, 211
  Europe, 28, 98, 211, 232
  meetings held in 1985, 211
action programme on essential drugs and vaccines, funding, 61
acupuncture, and herbal medicine, Western Pacific, 34
  standard nomenclature, 244
acute respiratory infections, Eastern Mediterranean, 80
  in childhood, 79–80
  newsletter, 42
  South-East Asia, 79
  Western Pacific, 79
Advances in malaria chemotherapy. Report of a WHO Scientific Group, 241
Advisory Committee on Medical Research (ACMR), 68–72
  Europe, 28, 29, 229
  report of subcommittee on health research strategy for health for all/2000, 68–72
Afghanistan, prevention of blindness, 156
Africa, acquired immunodeficiency syndrome, 211
  biomedical information programme and network, national focal points, 215–216
  cooperation with front-line countries, 140
  countries affected by drought and famine, 62–65, 88, 139–140
  dracunculiasis surveillance, 182–184
  health learning materials, 171–175, 223
  Industrial Development Decade, 21, 228
  national WHO programme coordinators, 228
  programme budget, 20
    regional policy, 225–226
  Regional Committee, future sessions, 21, 228
    thirty-fifth session, 222, 223–228
    thirty-fourth session, 19–21
      Quenum, Comlan A.A., tribute to, 19, 223
  Regional Director, annual report, 19–20, 223–224
    appointment, 40, 57, 61–62
    nomination, 19
  special programmes of cooperation, 140
  technical discussions, 21, 228
